Creation

How world was created and the separation of the deity and humans

Key Knowledge:

Know that some Christians believe that

- After Adam and Eve there were many people living across the world
- Humans continued to not look after the planet
- God sent a flood to cleanse the world (Noah's Ark)
- Humans continued to not believe in God's plan
- God introduced different languages (Babel)
- Humans continued not to love each other
- God gave them different places to live (Moses)
- God wanted the best for people
- God sent the ten commandments to help people to listen to him
- Stories about people's relationship with the world and humans is captured in the sacred text called the Bible in the Old Testament.

Know some Hindus believe that:

- There is one God called Brahman
- Brahman created the world

All living things are sacred as they have a bit of God in them.  
This is called Atman

| Creation Vocabulary |                                                                                                                     |
|---------------------|---------------------------------------------------------------------------------------------------------------------|
| Babel               | A bible story about a tower where people were given different languages so they couldn't all understand each other. |
| Ten Commandments    | a set of 10 rules given by God to Moses in the Old Testament                                                        |
| Brahman             | According to Sanatanis, the one great spirit or power that is in everything.                                        |
| Atman               | According to Sanatanis, your true self or soul – the part of you that lives forever.                                |

Prior Knowledge:

Creation is the beginning.

There is one creator.

Generalisation:

The creator entrusted their creation to the people, including teaching them how.

Opportunities for Spiritual Expression

- Story telling
- Playing games
- Singing songs with Makaton
- Create a piece of artwork

Reflection Space
